Overview

This exhibition is an international, open-submission triennial that showcases outstanding works of contemporary glass art from around the world. Bringing together the latest achievements in glass art, it contributes to that art's further development; throughout the world. This year, the third of these competitions attracted 785 entries, from fifty countries and regions throughout the world. The exhibition presents about fifty works selected through the first and second judging. Contemporary glass art has infinite possibilities—enjoy exploring them in this exhibition.
