

Requests for Visitors to Toyama Glass Art Museum

Thank you for your cooperation to prevent the spread of coronavirus infection.

- Please wear a mask and practice “Cough Etiquette”.
- Please keep 2 meters distance from other visitors and refrain from talking in the exhibition rooms.
- If you have a cold symptoms such as fever, cough or sore throat, please refrain from visiting us.
- Please visit us in a small group. Depending on the situation of congestion, we may control the entry to the rooms.
- Please wash your hands frequently. The soap is available at the restroom at each floor.

Our preventative measures are as below:

- Our staff wear masks.
- We set alcohol and acrylic plate for infection prevention at entrance.
- We pay every attention to ventilate the exhibition rooms.
- We sanitize the surfaces that are touched frequently such as elevators and escalators regularly.
